NO.F.12-58/2018-NVS (Acad)

December 14, 2018

To

The Deputy Commissioner,

Navodaya Vidyalaya Samiti,

All Regional Offices

Subject: **Admission notification 2019 from National Institute of Fashion Technology**

Sir/Madam,

As you may be aware, the National Institute of Fashion Technology is established under the Ministry of Textiles, to fulfil a growing need for professionals specialised in the field of fashion. Since its inception it has emerged as a prominent leader in the field of professional education, deftly combining design with management and technology. NIFT campuses located at Bengaluru, Bhopal, Bhubaneswar, Chennai, Gandhinagar, Hyderabad, Jodhpur, Kangra, Kannur, Kolkata, Mumbai, New Delhi, Patna, Raebareli, Shillong, and Srinagar. It also continues to foster a meaningful dialogue between the youth, the industry and the consumer.

Across its 16 campuses, NIFT offers 4 year undergraduate programs in Design (six specializations) and Technology and 2 year postgraduate programs in Design, Technology and Management. Being a Statutory Institute of the Government of India, the degrees offered by NIFT are recognized globally.

NIFT has initiated the admission process for 2019. With the aim of providing information to interested candidates for programs in NIFT and acquainting them with work done by students at the campus, NIFT campuses also organise Open Houses. JNVs may interact with the respective campuses for further formalities of admission and Scholarship.

It is requested to please bring these notifications to the knowledge of children.

Thanking you,

Yours faithfully,

(A N Ramachandra)

Joint Commissioner (Acad)

Copy to

The Assistant Commissioner (IT) for placing this on the website of NVS for information of JNVs.

On 11/23/2017 10:52 AM, A N Ramachandra, Joint Commissioner, NVS wrote:

Dear All,

Please find herewith the request from NIFT Kolkota. Hope you all know that 16 NIFTs covering almost every part of the country are functioning. Many of our students could think of joining NIFT as one of their priority choices. You would also agree that we need to educate the children towards as many areas of interest as possible so that children can take informed decision about their career **instead of just following the crowd.**

I am forwarding herewith a request from the Registrar of NIFT Kolkota suggesting campaign from their side. Copies of NIFT Admission Prospectus-2018 and Admission Poster are also attached for disseminating information among the students. Let us be clear that such exercises shall not be one time affair. DC RO Patna may please permit the visit of NIFT Kolkota officials to visit JNVs in WB. Similarly all ROs may contact their nearest NIFT and arrange similar talks to the students in the Region.

You are requested to immediately contact your nearest NIFT and arrange to call them to JNVs for giving talks to the children about the program and career. It would be better if children directly listen from them. As you may be aware "Design" is one of the very fast growing career applicable in almost all Industries. Design does not necessarily refer to dress design. Fashion Design and Technology is growing much faster.

I would request you to also kindly read through a small (20 page) report called "**The India Report**"-1958 by Mr. Charles and Ms Ray Eames (http://nid.edu/Userfiles/Eames___India_Report.pdf) submitted to Govt of India in 1958. I hope you will appreciate the necessity of giving importance to this area. If you find time you may also read <http://www.ci.in/webcms/Upload/a2.pdf>.

Sir,

Please recall our yesterday's telephonic discussion about conducting Sensitization Programmes in the schools of Jawahar Navodaya Vidyalaya situated in West Bengal. A proposal to this effect is attached for your perusal. Copies of NIFT Admission Prospectus-2018 and Admission Poster are also attached for disseminating information among the aspirants.

Looking forward for your cooperation.

Thanks and with regards,

-
